BASIC ORTHOPEDIC SET

Surgical Sets Catalog

Visit website: innovasurgicalsupplies.com

A collection of various surgical instruments, including scissors, forceps, and probes, arranged in four rows. The instruments are primarily made of metal, with some featuring yellow handles. The first row contains ten pairs of scissors and forceps. The second row contains ten pairs of forceps and probes. The third row contains five pairs of forceps and a series of probes and scalpels. The fourth row contains a large retractor, a long curved instrument, two long straight instruments, and a series of probes and scalpels.

TYMPANOPLASTY SURGICAL INSTRUMENTS SET

Surgical Sets Catalog

Visit website: innovasurgicalsupplies.com

A large collection of various surgical instruments, including scissors, forceps, probes, and retractors, arranged in rows. The instruments are primarily made of metal, with some featuring yellow handles. The collection includes a variety of sizes and types, such as large surgical scissors, fine-tipped forceps, and several different models of retractors. The instruments are displayed against a plain white background, highlighting their metallic surfaces and intricate designs.

LAPAROTOMY SET

Surgical Sets Catalog

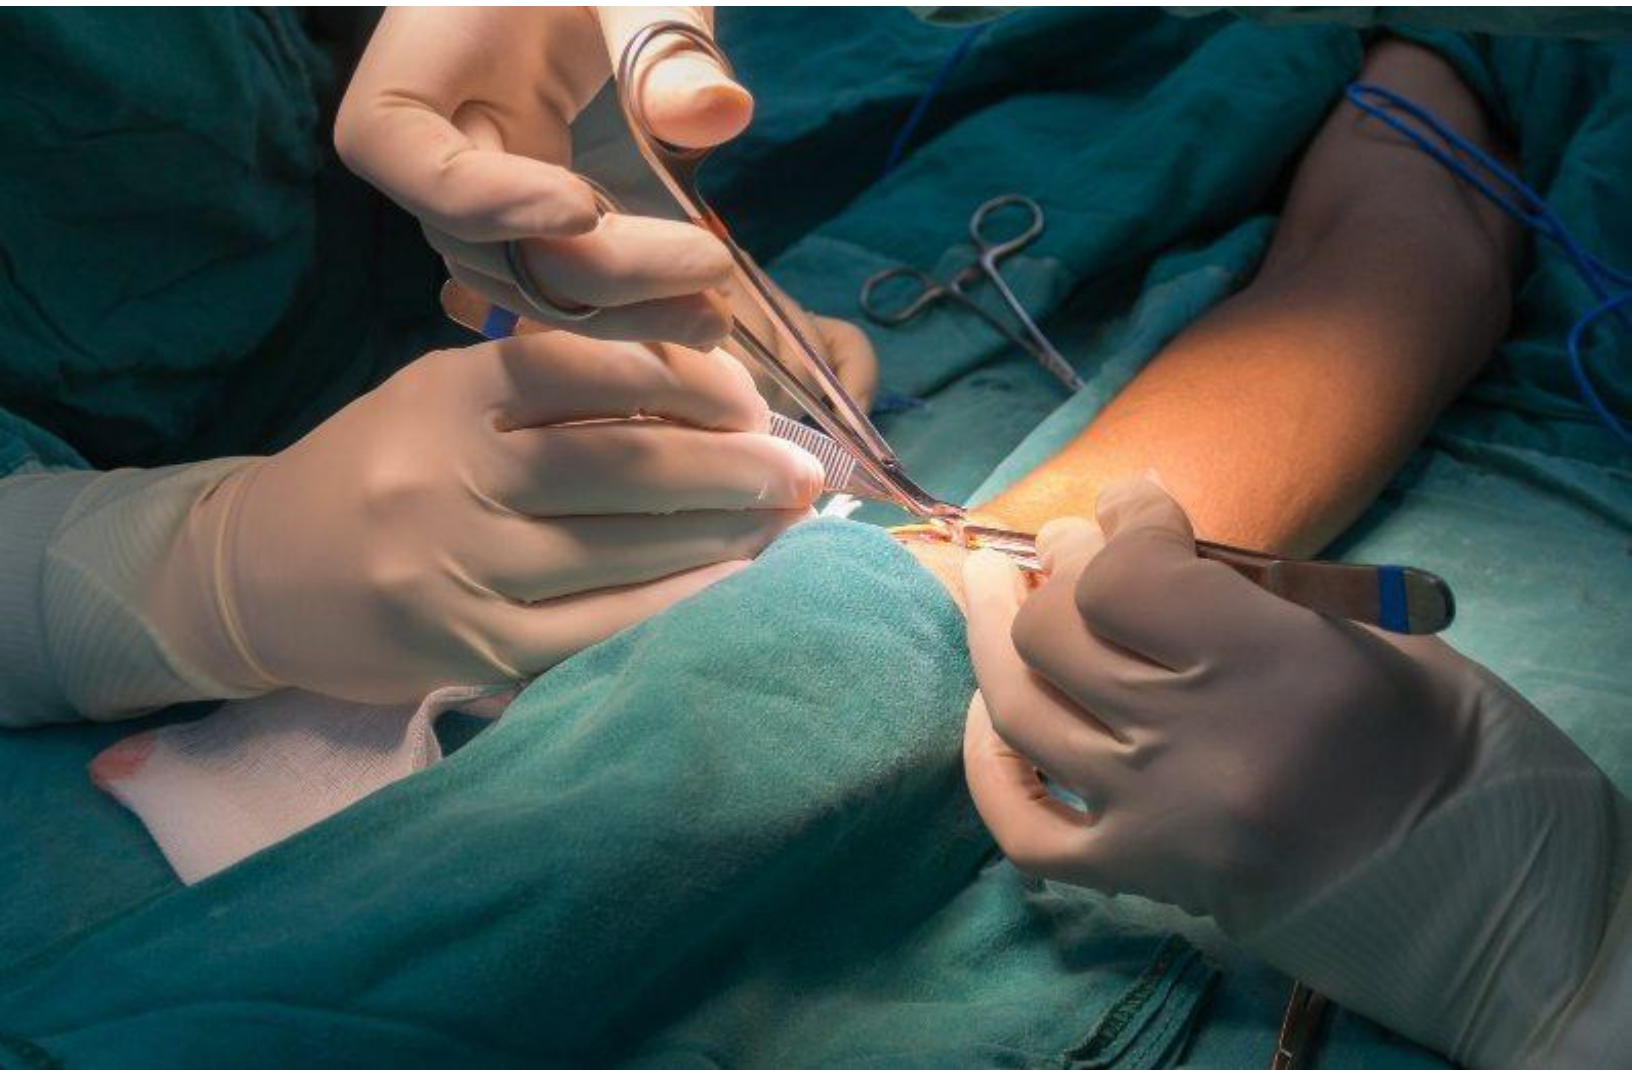

A collection of various surgical instruments arranged in three rows. The top row features eight pairs of forceps or scissors with different handle designs. The middle row contains five pairs of forceps, a long thin probe, a large curved retractor, and two pairs of fine-tipped forceps. The bottom row includes two pairs of fine-tipped forceps, a long thin probe, two large curved retractors, a complex mechanical device with a central handle and side arms, and three metal trays of different shapes and sizes.

1	CANNULATED REAMER 17MM

This image shows a blank sheet of white paper with horizontal black ruling lines. The lines are evenly spaced and run across the width of the page. In the bottom right corner, there is a square QR code. The QR code has a logo in the center that reads "AY SURGICAL" in blue and red text. The QR code itself is black on a white background.
